To,

Chief General Manager,
Rajasthan Telecom Circle, Jaipur

Sub: - Injustice with the disciplined and obedient executives by discriminatory functioning of circle administration.

Circle administration had considered request transfers of executives on 31st March 2016 on continuous presentation of association. The executives had been transferred on longest stay basis to enable the request transfers. Some executives had been transferred long back on longest stay basis before 2-3 to 5-6 years, but they have managed there relieving, due to this situation that a executive had been transferred before 5 to 6 years but not got relieved but other executive who is too much junior in the stay at the same station who had been relieved just after issuance of transfer orders. To overcome this problem all the executives those have under transfer were got relieved with the instructions to join immediately at their transferred station.

The disciplined and obedient executives had joined their duties but some notorious persons have managed their transfer orders got issued to the other circles and approached the Court of Law for relieving/cancellation of their transfer orders but ultimately they all have lost their court cases and they have been served charge sheets under Rule-36 for indiscipline and disobedience of orders of Circle administration, even after that they didn't bothering at all, they have tried there level best to influence the circle administration through any mediators, even some drivers of departmental vehicles and also working as mediator's to manage their transfer order cancelled by hook and crook. Some three four persons succeeded to manage their orders held in abeyance till 31st March 2017 or modified their place of posting and some cases are in pipeline even after the entire situation and gravity of these transfers have been narrated to CGMT Rajasthan just after his joining and requested for doing justice to disciplined and obedient officers they have joined their duties at transferred stations and obeyed the orders of administration.

If transfer orders of any executive will be cancelled on any fictitious ground than all the executives those are junior in stay should also be brought back on their parent station by transferring them on govt. cost otherwise this association will be compelled to serve notice for launching trade union actions immediately.

I hope your good honour will personally look in to this vital issue and resolve favorably so that peace and harmony may not disturb.
