Sub: - Cancellation of arbitrary and baseless transfer orders and considering request transfer on point to point basis.

With respect to above reference and subject it is stated that association had a meeting with circle administration on 28th April 2017. Association demanded cancellation of baseless transfer orders immediately and consideration of remaining transfer order on point to point basis.

The transfer orders issued vide letter No. STA/8-15/Ch-14/R-Trf/JTO/2017/11 dated 21.04.2017 by Circle administration on stay basis, but no any criteria has been followed. It is on the pick and choose basis only, no any uniform policy regarding stay has been followed. From one SSA six JTOs have been transferred and at the same time JTOs having more stay at other SSA has not been touched in this list. Due to this ambiguity lot of frustration has been developed in the mind of effected JTOs.

Six SSAs of Rajasthan Circle has been declared soft tenure station by corporate office to fill up the acute shortage in these stations up to bear minimum strength of executive to maintain BSNL services. Even though while considering inter circle request transfers by corporate office no any executive is being transferred from the soft tenure stations to maintain the status co of executive at these stations.

During formal meeting on 28-04-2017 with CGMT along with circle administration, association raised the issue of cancellation of arbitrary transfer orders of JTOs issued on long stay basis vide STA/8-15/Ch-14/R-Trf/JTO/2017/11 dated 21.4.2017. Circle administration pleaded quashing of whole transfer list will not be good for those SSAs which are facing acute shortage. Than association demanded that in first phase transfers from soft tenure on long stay basis and vise versa should be cancelled immediately and request of those JTOs who has completed three years of stay at working station should also be considered on point to point basis to reduce the number of transfers.

CGMT agreed for both the demands and assured to do needful earliest, circle administration has issued request transfer order of SDEs who has completed four years stay vide memo No. STA/8-5/GB/Request/2016-17/Part/17 dated 29-04-2017. In this order request of Mr. M.K. Vijaywal had been

considered from SGR to Circle Office Jaipur, but Mr. Subash Chand SDE from Jhunjunu has been post as his substitute. No any request from Jaisalmer and Sirohi has been considered but Sh. Mitha Lal Phulwaria from Jodhpur and Mr. Pitamber Nanda from Udaipur have been posted at Jaisalmer and Sirohi respectively. So substitute in the case of Mr. M.K. Vijaywal should be posted from Jaipur at point to point basis and transfer orders of Mr. Subhash Chand from Jhunjunu, Mr. M.L. Phulwara from Jodhpur and Mr. P. Nanda from Udaipur should be cancelled.

It is very surprising that even after agreed by CGMT for cancellation of transfer order from soft tenure and considering request of JTOs on point to point basis who has completed three years of stay, even after passing of four days no any development is this regard is being seen.

So once again it is requested that commitment given by CGMT to that recognized representative association should be honoured by circle administration so faith of association in circle administration may not loose and harmony with association may not disturb.

I hope that your good honour will sympathetically consider our request and do need full earliest to provide the relief to our effected executive.
