No. : FORUM/Union-Asso/Raj/2017-18/09

Dated at Jaipur: 16-08-2017

To,

The Chief General Manager
Rajasthan Telecom Circle
Jaipur

Sub: Protest against transferring of Jhalana Dungari BSNL campus and 21 staff quarters of telecom colonies to DOT.

Ref: Building/BSNL-DOT/Jhalana Shift/2013/82 dated 15.02.2017

Forum of unions and associations has come to know by above referred letter that CGMT BSNL Rajasthan is going to transfer Jhalana Dungari BSNL campus and twenty one staff quarters in BSNL colonies at Jaipur to DOT. These assets had been built by BSNL through their own financial resources without any financial support of DOT or any other Government Department. Mutation of all these land and buildings had been done in the favor of BSNL. DOT has no right to retain these lands/buildings. Rather no question arises of retention because DOT has no ownership of these assets of BSNL by any means. These assets are sole property of BSNL and these are being snatched from BSNL by force under influence of senior DOT officers. Forum of unions and associations of BSNL Rajasthan highly condemn this act of assets transferring from BSNL to DOT and register their strong protest against assets transfer.

Forum is demanding stopping of this process of assets transfer immediately otherwise we will be compelled to launch trade union action programme on circle level.

We hope that CGMT Rajasthan will consider our view in right aspect and stop this process immediately. CGMT Rajasthan is further requested to convey our protest to corporate office in a good spirit, so that working environment of Rajasthan circle may not get conducted and growth of circle may not hamper.

Yours Sincerely
