R/Sir

With due respect it is brought to your kind notice that a letter contradictory to the BSNL's employee transfer policy has been circulated vide above referred letter dt.23.02.2016, according to which request transfer will be considered after completion of four years at a particular station, Joint Forum of BSNL Executive's Associations comprising AIBSNLEA and SNEA(I), Raj. Circle, Jaipur examined the same as per existing prevailing guidelines of BSNL Corporate Office in this regard and it has been observed that condition spelled out regarding registration/consideration of intra circle request transfer application of executives are contrary to BSNL's employee transfer policy, circulated by corporate office New Delhi. As per section-A 6 (C) request transfer with in recruiting unit shall normally be considered after completion of 2 years at a particular station.

This letter dated 23.02.2016 from circle office created lot of confusion & heart burning among executives working in Rajasthan Circle. So it is requested that this letter should be withdrawn immediately and registration of request should be done as per prevailing practice after completion of one and half year and request transfer should be considered as per transfer policy of BSNL corporate office, so that cordial relation between administration and association can be maintained and harmony may not disturb.

Further, it is also requested that cases of executives working in soft tenure SSA/station can also be considered at par to normal SSA/Stations i.e. request can be considered after completion of 2 years, if he/she give undertaking in writing not to avail benefit of working in Soft Tenure SSA/Station (break in Circle tenure) in case of his/her inter circle transfer in future.

We hope that your good self will personally look in to this issue and resolve this matter favorably.
