- 1. Acute shortage of essential store :-** Since last three months EPBT Telephone instruments are not available at Rajasthan Circle. Due to acute shortage of EPBT instruments NTC work is affecting badly,UG cable Joint closers of No2 and 3 are also running short since long. So maintenance work is also badly affecting. An essential meter i.e. power meters for maintenance and installation work of transmission network are also running short since long. Drop wire is also running short since last one year so due to shortage of these essential stores development and maintenance work of telephone network is adversely affecting it is requested that these essential stores for development and maintenance work should be arranged immediately by diversion from other circle or by procurement through open market or telecom factory so that outdoor network may not suffer any more.

As per executives transfer policy all the request has to be considered in the month of April every year computing period of stay up to 31st March.
Mr. Nakta Ram AGM (Admin) Jodhpur has been retired on superannuation on 31st Dec. 2016, Mr. N.K. 4 **Regarding withdrawal of letter no. STA/1-11/Reg./A/2007 dated 23-02-2016 of Personnel section of Circle Office for registration of intra circle transfer application**

With respect to above referred letter and subject it is stated that we have gone through the above referred letter of personal section of the circle office and it has been observed that condition spelled out regarding registration/consideration of intra circle request transfer application of executives are contrary to BSNL's employee transfer policy, circulated by corporate office New Delhi. As per section-A 6 (C) request transfer with in recruiting unit shall normally be considered after completion of 2 years at a particular station but as per circle office letter dtd.23.02.2016, request transfer will be considered after completion of four years at a particular station. As per transfer policy request from soft tenure shall be considered after completion of three years at that station but as per circle office letter request will be considered after completion of two years at a particular station. This letter dated 23.02.2016 from circle office created lot of confusion among executives working in Rajasthan Circle. So it is requested that this letter should be withdrawn immediately and registration of request should be done as per prevailing practice after completion of one and half year and request transfer should be considered as per transfer policy of BSNL corporate office, so that cordial relation between administration and association can be maintained and harmony may not disturb .

5 **Releiving of Mr. H.R. Meena for looking after as AGM from Bhilwara to Jhalawar :-**

Jhalawar SSA is running without any AGM since last near about one year. TDM Jhalawar was pressing hard for posting of any AGM at Jhalawar. I personally search Mr. H.R. Meena at Bhilwara who can go to Jhalawar as AGM look after and suggested GM (HR) for post him at Jhalawar as L/A AGM, so this post can be filled up, accordingly Mr. H.R. Meena has been posted at Jhalawar as L/A AGM. But he has not been relieved till today from Bhilwara. So it is requested that Mr. H.R. Meena should be relieved from Bhilwara immediately so that he can join his duty at Jhalawar as Looking After AGM.

I hope your honour will personally look in to these issues and settle them earliest to provide the relief to our members.

Thanking you in anticipation.
